

Cypress Creek Cougar Athletic Booster Club, Inc.

Jim Pugliese, President

Dear Athletics Parent:

In less than one month, on February 6, 2010, we will have our Spring Cougar Day with its annual Silent Auction. The auction is a way you can contribute to the success of our Spring Cougar Day which benefits all the UIL sports organizations at CyCreek through the Athletic Booster Club. While this event is organized by the Spring sports, it benefits year round sports in the same way the Fall Cougar Day does.

Each Spring sports team will be responsible for a Themed Basket donation, and we are asking everyone to contribute by securing items for their team baskets as well as other individual auction items. There are many ways to contribute, i.e. purchase something to donate to the auction or solicit an item from a person or business. Please think outside of the box.

Don't be afraid to ask. This is a worthy cause and the worst anyone can say is no. You will be surprised by the positive responses. Think of business owners you know or businesses you support with your patronage. This is a great opportunity for a business to thank you for being a loyal customer.

We will need to have all items no later than January 30th as we will publish an Auction Menu as early as one week prior. Receiving donations early enables us to have a better organized auction; however, we will not turn away donations through the date of the event. Remember to ask now to allow time for businesses to seek approval on the donation.

To make arrangements for pickup or delivery of any donations, call (281) 444-7607 or email jmkschultz@comcast.net. Check the booster club website often for information, updates, printable forms, lists, etc. at www.cycreekabc.com.

Remember, invite family and friends. The more the merrier! Thank you in advance for helping to make our Spring Cougar Day a success!
