

ImPACT

Baseline Testing

The Methodist Concussion Center offers ImPACT Baseline Testing to student athletes at their school by utilizing their computer labs to access this web-based program. All tests are confidential and stored on a secure server that only the school athletic trainers and the Methodist Concussion Center physicians and staff can access.

Baseline Test Cost: \$5 per Student

For more information, to set up baseline testing at your school or to set up an individual appointment at one of our clinics, contact the Methodist Concussion Center at 281.413.6716 or visit methodistconcussioncenter.com
