Facebook = “Iowa Style Wrestling Camps – Houston” join today!

The goal of Iowa Style Wrestling Camps is to prepare young athletes with the physical and mental skills required for success at all levels in wrestling. We believe that this is best achieved through group instructional training combined with one-on-one coaching. We also strive to speak to our athletes on the mental aspects that can help them succeed in any sport or activity.

Mental strength along with action packed wrestling is what Iowa wrestling is known for nation-wide. It is our belief, that this is the edge that “Iowa Style” wrestling has over the rest of the competition, and this is what we hope to spread to our athletes.
